MONK GOLD™ Monk Sweet

Luo Han Guo Extract

Luo Han Guo extract is a natural sweetener sourced from the Luo Han Guo fruit (Monk fruit). Mogroside is the sweetening component in this extract with Mogroside V being the most abundant. Luo Han Guo provides a rounded sweetness and is approximately 250-400 times sweeter than sucrose with just 2kcal per gram.

Benefits

- Naturally sourced low calorie sweetener
- Contains anti-oxidants and vitamins
- Provides rounded sweetness without increasing blood sugar levels

Applications

- Tabletop sweetener products
- Beverages
- Dairy products
- Supplements and bars
