

P-ProPlus

PEA PROTEIN

P-Pro Plus is a revolutionary 100% natural pea protein product that delivers all benefits of regular pea protein, but utilizes the advantages of 100% natural USDA Organic ClearTaste™ bitter blocker. P-Pro Plus is simply an exceptionally tasty pea protein without any off-notes previously associated with pea protein products. GLG's superior quality P-Pro Plus is available in both conventional and organic varieties and in various mesh sizes and protein purity levels and can be tailored to your specific product needs.
